## About me:

My name is Brian Jones, from sunny (once a year) Scotland and am the proud owner of [TE-JV.com](http://TE-JV.com)

I also own several other sites which are mostly using the amazing Ventrino Script but as I also own that I'm a little biased!

Here's where it all began...

I first found myself online using ebay when recommended by a friend and I was hooked.

I bought a crappy PC from a friend and went to the library to learn about upgrading it and the next thing you know I had built my own PC...!

So I got back on ebay and then started buying and selling THE WORLD.!

I decided to try and make money and investigated things like dropshipping etc and paid quite a bit of money finding info about it so I made a simple text document and sold all the info I found for £0.99 and as soon as the paypal notification link came through I would copy & paste my info and attach the original file in an email to them

Wait.! What about making my own site and having this info on there..!

Back to the library I went lol...

I got a domain and some cheap hosting and made a VERY basic site that I stored all the info on and then started looking for some way of promoting my little site, I joined a few Traffic exchanges like Jon Olson's [IloveHits.com](http://IloveHits.com) and that's probably the only one that I still use to this day.

I was sick of paying to upgrade on all these sites and thought, wait I'll make one myself.!

And the rest is history.!

The sign up process is basically in two parts

**Please ensure if you are using services like AOL, Yahoo & Hotmail that you add our site to your whitelist to receive mail!**

Thank you for having a look at this 100% FREE traffic system

There are just a couple of steps before you are going to have thousands of people checking out your sites!

Add your username & email address  
(username is final so be careful).

You will receive TWO emails:

1. TE-JV.com's Traffic Exchange Verification email
2. Our mail management verification from "Brian [TE-JV]"

Verify both emails and you'll soon be on your way to some FREE traffic

First Name:

Surname:

Email:

You enter your First Name, Last Name & Email Address

**You are almost there!**  
Click Here and then check your email for the verification link!  
(Just to verify that you are not from a different planet)

Then a simple verification process begins once you continue

You will receive TWO emails:

1. TE-JV.com's Traffic Exchange Verification email
2. Our mail management verification from "Brian [TE-JV]"

Verify both emails and you'll soon be on your way to some FREE traffic

# No SURFING, JUST TRAFFIC!

# TE-JV.COM

The Login process is also a recovery area if you require your details again

Login Form	
Email Address	<input type="text"/>
Password	<input type="password"/>
Remember my login information <input type="checkbox"/>	
<input type="submit" value="Submit"/>	

If you require your details again the simply leave the Password field blank and enter the Email Address you used and they will be resent to you.

Sadly some server/clients will block the Emails and this is typical of ANY website so please also white-list and check trash/span folders if you still haven't received your sign up email.

If you are STILL having difficulties try a generic email address like gmail etc

Both "Sign up" & "Recovery" contain verification links so If you are simply signing up you will have to verify your account (TWICE)

The main issues we face are simply people NOT verifying BOTH emails that they receive or of course... The email getting lost in cyberspace

If for any reason you want to get in contact my details are

# No SURFING, JUST TRAFFIC!

# TE-JV.COM

This site was designed primarily for those of you who have spare credits lying about on other Traffic Exchanges and we HOPE you use this site as a simple funnel that does all the hard work for you...

It's simple, you promote your JV link on traffic exchanges and your referral links everywhere else...

If you choose an upgraded account and decide to not promote then that's fine as you will still receive your monthly promotional credits to use BUT you are missing out on tons of Commissions and Bonuses

Now there are many ways to earn credits here and the best way is to promote your JV Link and this will earn you credits and also you will get referral bonuses & hopefully commissions at the same time

Typically over 900 members are showing their JV Link EACH DAY and this would be promoting YOUR websites/promotions on over 900 different advertising sources so this means you will get a massive amount of people looking at your promotions

## Explanation of the promotion links

### JV Link

“THE MOST IMPORTANT LINK IN THE WHOLE SITE”

This link is designed to be shown on Traffic Exchanges and you could earn Commissions, Referrals, Personal Member Ads & Credits when you show it on a TE

**NB: Please show your JV Link direct and NOT in trackers, shortners & rotators**

<http://te-jv.com/tejvr/1/?????> <- Your ID will be here

DO NOT PROMOTE THIS ON PTP, PTC, PTR TYPE SITES...

Use the links below

# No SURFING, JUST TRAFFIC!

# TE-JV.COM

## Referral Links

These link are for use on anything... But DO NOT earn you credits when you show them..  
They are for things like mailers, skype, signatures... Basically anything you wish

<http://te-jv.com/?r=?????> <- Your ID Will Here

<http://te-jv.com/splash.php/?r=?????> <- Your ID Will Here

<http://te-jv.com/end.php/?r=?????> <- Your ID Will Here

Once you have earned some credits you add your promotions into rotation in the websites section Click [HERE](#) for a quick guide on how to add your promotions into rotation  
(you will need credits to actually add promotions)

After a few days you can go back to that area and click the magnifying glass to see exactly where your sites were promoted on... There tends to be a LOT OF DIFFERENT SOURCES ;)

These amazing statistics are the reason why we want you to show the JV Link direct  
(so we can see the source)

JV Link users promoted this on [Sweeva.com](http://Sweeva.com) on 2013-04-25

JV Link users promoted this on [EasyHits4U.com](http://EasyHits4U.com) on 2013-04-25

JV Link users promoted this on [TrafficBunnies.com](http://TrafficBunnies.com) on 2013-04-25

JV Link users promoted this on [VastHits.com](http://VastHits.com) on 13-04-25

JV Link users promoted this on [HorrorMovieHits.com](http://HorrorMovieHits.com) on 2013-04-25

JV Link users promoted this on [TezakTrafficPower.com](http://TezakTrafficPower.com) on 2013-04-25

JV Link users promoted this on [FroggyHits.com](http://FroggyHits.com) on 2013-04-25

JV Link users promoted this on [ILoveHits.com](http://ILoveHits.com) on 2013-04-25

JV Link users promoted this on [TrafficDelivers.com](http://TrafficDelivers.com) on 2013-04-25

JV Link users promoted this on [Traffic-Splash.com](http://Traffic-Splash.com) on 2013-04-25

If you show the JV Link in a tracker, rotator etc it will mask the referral so we simply do not allow it and your account will be restricted if you do

We are not saying those are bad but there is no need for them at all as you know where you are promoting so you don't have to track.

**NB: Please show your JV Link direct and NOT in trackers, shortners & rotators**

**No SURFING, JUST TRAFFIC!**

**TE-JV.COM**

## Why Promote..?

Well we offer one of the best Commission rates in the industry

LIMITED members only receive 10% Commissions

UPGRADED members receive 50% Commissions

You can add your Paypal Email Address in the Commissions area and we will send you your commissions on a regular basis (at least once per week)

We have LOADS of promotional tools and recommend you use anything you can to build your downline and in turn earn commissions (our credit sales & OTO pages convert A LOT)

You can also contact your downline if you wish and offer them support etc but I have to remind you that spamming your downline will not be tolerated and will result in your account being removed with no questions asked at all...

(Admins also receive a copy of your email)

The WHOLE point of the site is that people promote their JV Link on ANY Traffic Exchange they have spare credits and we also offer bonus days

**MONDAY = SUPER BONUS DAY**  
**TUESDAY = 1:1 RATIO FOR ALL**  
**WEDNESDAY = SUPER BONUS DAY**  
**THURSDAY = 1:1 RATIO FOR ALL**  
**FRIDAY = DAILY BONUS SITE**  
**SATURDAY = DAILY BONUS SITE**  
**SUNDAY = THE LOGIN LOTTERY**

**REMEMBER THE MORE YOU PROMOTE  
THE MORE YOUR PERSONAL ADS  
WILL BE ROTATED !**

# No SURFING, JUST TRAFFIC!

# TE-JV.COM

Lets take Monday for example...

Every Monday we select THREE sites that you can promote your JV Link on and receive bonus credits for every view that your JV Link receives

It's really simple, we select 3 sites from our recommended sites and send you an email to let you know which sites we chose...

“Here's the deal, for the rest of today if you promote your JV Link:”

“On ANY of these sites”

[EasyHits4U.com](http://EasyHits4U.com)

[Traffic-Splash.com](http://Traffic-Splash.com)

[TrafficBunnies.com](http://TrafficBunnies.com)

This for example was the sites picked on the last run and on THAT day if you showed your JV Link on THAT site you would receive Bonus Credits...

These sites change randomly BUT are picked from our recommendations so it's a good idea to join all as people who are reading this will join under YOUR downline and then when bonus days run they go to that site and surf a little or buy some credits thus earning you from that source at the same time

Now showing your JV Link on other Traffic Exchange also reflects on YOU and this in a way can be bad if there are bad URLs in OUR rotation

We use the TeToolBox scanner from [Trck.me](http://Trck.me) and although this catches a LOT of bad sites it's never going to catch them all so we can also use your help

Our “Be The Judge” feature is basically a quick link that you click and a member's promotion pops up and you decide to approve or reject it.

This then add a “bad vote” (if you reject) and we re-evaluate the link manually to approve or simply remove from the [TE-JV.com](http://TE-JV.com) rotation and inform the member

# No SURFING, JUST TRAFFIC!

# TE-JV.COM

While you are showing your JV Link on other Traffic Exchanges you can also add YOUR OWN ads to the header and these are 100% FREE

**PROMOTE ALL YOUR SITES WITH NO SURFING REQUIRED [CLICK HERE](#) (659) Promoters Today**

954 Different advertising sources with 248 members earning \$1252.10 commissions this week

TE-JV Member Ad... I've got 2 INVITES left for the BIGGEST launch EVER [Click HERE](#) - [www.vip-links.com](http://www.vip-links.com)

These RED links are your OWN personal ads and you can add 10 ads into your account then when you show your JV Link you also promote your OWN text ads at the same time...

Simply put, the more you show your JV Link the more personal member ads you show!

## Activity Levels Challenge

Please make the most out of your visit... Like, Post, Share... BUY!

## Buying Traffic or Referrals

Have you joined [TECommandPost.com](http://TECommandPost.com) !

This program is simply AMAZING and perfect if you are involved in a LOT of TEs you simply add your details there and it'll keep you on top of your credits etc

lets say there is a super bonus day and we are giving you a bonus for promoting your JV Link on these 3 sites:

[HorrorMovieHits.com](http://HorrorMovieHits.com)

[TezakTrafficPower.com](http://TezakTrafficPower.com)

[FroggyHits.com](http://FroggyHits.com)

You receive the email but don't have time for any surfing today

You simply login to [TECommandPost.com](http://TECommandPost.com) and check your credits etc on that site then you can go assign more credits to your promotions as the traffic will be higher!

And of course you can track your Commissions on the sites also!

**No SURFING, JUST TRAFFIC!**

**TE-JV.COM**

## I'm a TE owner can I get a FREE Upgrade..?

Sure get in touch through our JV Owner area

Basically this is a credit/upgrade swap and we require an account on YOUR exchange and you have to list your JV Link at least once to qualify

"The more credits/visitors YOU provide the more WE provide back"

If your Daily Hits Per URL = 3+

You qualify for a JV account with roughly 500 Credits per month

You ALSO receive credits EVERY time you show the link currently (2:1)

We hope to receive 10 hits per day from YOUR site so the Main Tracker URL may have to be added more than once to achieve this  
Even 10 Hits Per Day for 1 URL is only 300+ Credits per month

There is NO limit to the amount of traffic you can provide us and we WILL be rewarding the TEs that deliver the best quality each month :)

We will be giving you roughly 500 credits each month

You can add up to 10 sites

Simply create an account on YOUR exchange and add the JV Link into rotation

Let us know!

These "FREE" accounts are the BASE of the traffic for ALL members and as we have over 100 JV account holders we know we can always get a decent amount of traffic right from the START!

Over 900 accounts promote EACH day! So the base traffic is only roughly 10%

## Rebranding!

If you have a look at this ebook and ALL the recommendations on site there will be a cross section of [TE-JV.com](http://TE-JV.com) recommendations and you can rebrand the WHOLE site in our rebrand area... How it works:

Simply login and go to our rebrand area and enter your referral ids and we will automagically add them to all the recommendations throughout the site!

That mean THIS ebook can then be used as a giveaway or as a "Overview" that you can give to your (soon to be) downline and all your referral links will be embedded

Once a member joins under your downline YOUR links will also be embedded in ALL the recommendations that are promoted in the site at the same time so you have the possibility of building 12+ downlines from ONE membership :)

**REBRAND THE  
WHOLE SITE**

**ENTER YOUR REFERRAL IDs IN THE REBRAND SECTION  
TO REBRAND ALL THE "RECOMMENDATIONS" LISTED  
THROUGHOUT THE SITE... COMPLETELY FREE**
